

# First UMC Starke News

## Church Updates on COVID-19 / Coronavirus

### CHURCH AT HOME

Our campus may be closed but your church is still active and working in the community. One way we will be connecting with you during this season is through online ministry. Tune in weekly starting Sunday, March 29th for relevant messages from Pastor Mike Moore that will strengthen your faith and bless your home. CHURCH AT HOME will be online at [firstumc.cc](http://firstumc.cc).

### Communicating With You

We are keeping you informed in multiple ways. We will be sending out emails and postal mail weekly. Our [firstumc.cc](http://firstumc.cc) website will be the best way to get all timely and live updates. We will also have info-tubes with church news located outside the fellowship hall, office and sanctuary doors. Content will be updated weekly. Just drive by and pick one up.

### Keycards

Due to the concern of the Bishop, CDC & government officials, we must secure our building. Church keycards will not work until further notice.

### Church Campus Temporarily Closed

For the health of our community and guidelines provided by the Bishop of the Florida Conference of the United Methodist Church as well as the CDC & government officials, all worship services, office hours, ministries, and activities have been postponed until further notice. Staff will be working remotely. You can leave a voicemail with any needs at the church office (904) 964-6864 and we will follow up. For ongoing updates go to [firstumc.cc](http://firstumc.cc).

### Giving Opportunities

Your church is still doing ministry and managing expenses. One of the greatest examples we can have as followers of Jesus in this time is to live generously. Even though we can't attend physical church right now there are multiple ways to give. A door slot is installed at the church on the office door that you can drop your checks in. You can mail a check with the self-addressed envelopes that will come in our weekly mailer. Maybe the easiest way to give is online at [firstumc.cc](http://firstumc.cc). You can even setup automated giving so your tithe comes out automatically when you want it to.
